Family Finance Arrangements

The Family Finance Arrangements have been created to assist families to manage the payment of their school fees. Working in partnership with the College, families choose an arrangement to best suit their personal circumstances. The payment of school fees may be spread across the whole calendar year to minimise the regular payment amount.

The school fees are invoiced annually and emailed to families prior to the commencement of the College year. As part of this email, you will receive your **Fee Statement and Payment Arrangement Form**, which outlines your options to finalise your school fees by the due date.

All families are required to complete and return their 'Payment Arrangement Form' to accounts@olmca.wa.edu.au. If you have not received this form, please contact the College Finance Department to assist.

The College provides multiple payment options to assist families, which include:

A - Direct Debit	B - Credit Card
Arrangements can be made to have school fees debited from your savings or cheque account on a weekly, fortnightly or monthly basis.	Arrangements can be made to have school fees debited from your credit card account on a weekly, fortnightly or monthly basis.
C - BPay	
For your convenience payments can be made via BPay. The Our Lady of Mercy College BPay biller code is 319764. Your family's BPay reference will be emailed from our Finance Department and can also be found on the bottom left-hand corner of your statement.	

DISCOUNT AVAILABLE: Pay the account in full before Friday, 6 March 2026 (Week 5, Term 1) and receive a 5% discount on the tuition portion.

Families also have the ability to commence a payment arrangement option prior to their child/s commencement at the College should they wish to take a proactive approach on their fees.

Billing Contact Details

The Primary Billing Contact (Billing Contact 1) will receive all the billing information, including statements and receipts. It will be the responsibility of the Primary Billing Contact to share this information with any additional billing contacts. Fee payers are expected to coordinate payment between themselves without involving the College. The College will not invoice split families separately, or split fees as per the **2026 School Fee Information** located on the website <https://www.olmca.wa.edu.au/school-fees>.

If you have any questions relating to school fees, please do not hesitate to contact our Finance Department staff on (08) 9720 3300 or email accounts@olmca.wa.edu.au.
