Dear Parents and Guardians,

Submissions to WA Health

Catholic Education Western Australia (CEWA) has received a concern from WA Health that some parents in Catholic schools may be only reporting COVID RAT positive cases on the CEWA App (self-reporting portal) and not also on the Healthy WA website – link below:

<https://www.healthywa.wa.gov.au/ratregister>

Please be advised that the college community are required to submit positive COVID RAT results to Healthy WA as well as to the Self reporting Portal on the College website.

Step 1 – Submit Positive Result to WA Health via <https://www.healthywa.wa.gov.au/ratregister>

Step 2 – Submit Positive Result to CEWA/College via [COVID-19 Self Reporting Form](#)

As always, we thank you for your cooperation in relation to COVID requirements during this term.

Regards,

Rob Crothers
Principal
