### General Information:

- Year 8 students select a total of four electives for the year.
- Students will complete two electives per Semester.
- To meet the requirements of Western Australian Curriculum guidelines, the electives have been categorised.
- Where possible, the College will aim to provide your first preference, however, it's important to note that the availability of each elective is contingent upon student demand and resource availability.

### Instructions for selection of electives:

Select **four** electives in total on your electronic form.

- You must select **one** elective from Column A, B, C and **one** elective from Column D, E or F.
- Students can only select LEAP if they have been invited to do so.

A description of these electives is available on our website.
