We cover the South West and Great Southern

We provide the training to equip you with the skills you need to get the job you want

By engaging with industry, we can ensure we are meeting the high standards required for training and assessing. This means on completion of your course, you can be sure you'll have the right skills and knowledge to do the job you've trained for.

Our highly skilled lecturers have worked, or still work, in their industry and have specialised training and assessing skills.

To help you secure your dream job, you'll receive a nationally recognised qualification that will be welcomed by business and industry.

*2021 Student Satisfaction Survey by Department of Training and Workforce Development.

Introduction

General Information

The Vocational Education and Training delivered to Secondary Students (VETdSS) program provides senior secondary students with the opportunity to integrate their traditional academic studies with a vocational education study pathway.

Successful completion of a vocational qualification provides students with credits towards a nationally recognised VET qualification that will give a competitive advantage to gain employment in their chosen career or undertake further training. Students who are enrolled in a VETdSS course attend a South Regional TAFE campus one or two days per week.

This booklet provides information on the range of qualifications being offered at South Regional TAFE Bunbury campus under the VETdSS program for 2023.

South Regional TAFE offers a range of courses and pre-apprenticeships as part of our VETdSS programs.

Information covered in this booklet includes, minimum entry requirements, delivery details, costs and uniform requirements (if applicable).

The VETdSS program pathway offers opportunities to:

- ▶ Develop your work, employability and life skills, whilst broadening your career options.
- ▶ Gain a realistic view of industry expectations and to develop industry specific skills.
- ▶ Improve your future employment prospects, your chances of selection for other training courses and can offer pathways into higher education in the future.
- ▶ Study in an adult learning environment.
- ▶ Gain nationally recognised VET qualifications and units of competency while completing your Western Australian Certificate of Education.
- ▶ Gain an understanding of the world of work, providing you with practical skills and valuable experience to assist with planning and pursuing your career pathways.

Who can apply?

Applications will be accepted from students who can meet the following criteria:

- ▶ Currently enrolled at a secondary school and commencing Year 11 or 12 in 2023;
- ▶ Will pass or have passed Year 10 with a 'C' grade average or with Curriculum Framework Level 3.5 or better (the Year 10 mid-year report **MUST** be included for application purposes);
- ▶ Have completed and passed the online literacy and numeracy assessment (NAPLAN or OLNA);
- ▶ Student application has been endorsed by their school;
- ▶ Meet Australian citizenship and/or visa requirements;
- ▶ Have not previously completed a Nationally Recognised VET qualification under the VET delivered to Secondary Students program.

How to apply?

- ▶ Submit an application online via a link on the South Regional TAFE website – Southregionaltafe.wa.edu.au
- ▶ An applications booklet is located on the website for further information.
- ▶ Applications for 2023 programs, open on **Monday 25th July 2022**.
- ▶ Applications close on **Monday 15th August 2022**.
- ▶ Late applications and applications not submitted online (via email, post, phone call etc.) will not be accepted.

Competitive courses

Highly competitive courses will require an interview. Applicants are required to be available for an interview between **Monday the 5th to Friday the 16th of September 2022**.

Preparing for your interview

Prepare like you would for a job interview, bring a copy of your resume, any certificate or awards, portfolio if you have one. Extra experience in the chosen field will always help towards your application, e.g. Volunteering, any work experience and hobbies.

Fees and Charges

Secondary school students undertaking VETdSS programs as part of their secondary education including pre-apprenticeships in schools are exempt from tuition, resource and enrolment fees.

However, depending on the chosen course students may be required to purchase a uniform, protective equipment, text books or trade equipment/tools/licences.

Note: *Some sub-class visa holders will be required to pay full-fees*

Key program details and responsibilities

- ▶ Students attend their chosen campus 1 or 2 days a week for the allocated length of their course.
- ▶ For some Pre-apprenticeship courses, after the designated delivery requirements one of the TAFE attendance days will become a work placement day. The student will attend a work placement to put learnings into practice and gain industry experience, enhance knowledge and refine skills. Other courses may require Work-placement to occur in students own time i.e., school holiday periods.
- ▶ You will experience learning in an adult environment with students of all ages and backgrounds.
- ▶ There is an expectation that when attending classes, you will assume greater responsibility for your own care and safety, as a responsible young adult.
- ▶ All students enrolled at South Regional TAFE are expected to adhere to the student code of conduct. (a copy is located on our website)
- ▶ Whilst attending South Regional TAFE, you are under the supervision of the lecturer taking the class.
- ▶ You will not be supervised during break times.
- ▶ You are expected to remain within the College grounds unless you provide your lecturer with written notification from your parent/guardian or school.
- ▶ You are responsible for your own travel arrangements to your chosen campus and work placement (if applicable).
- ▶ You are required to attend all your classes including those that may occur on a designated school pupil free day.
- ▶ Attendance is recorded and all absences are reported to your school. You are required to notify your lecturer if you will not be attending.
- ▶ You are expected to dress appropriately whilst on campus. Some courses have uniform requirements which must be adhered to or you may not be able to attend on that day. When special or protective clothing and/or footwear is required, it must be worn without exception.

COVID-19

From Friday 10 June 2022, the majority of Western Australian workers will no longer need to be vaccinated to attend previously mandated workplaces, however Healthcare and health support workers in hospitals and primary health care settings, residential aged care and disability settings still must be triple dose vaccinated to enter their workplace.

Students enrolled in courses that require them to undertake mandatory work placement with an employer in those sectors must be triple dose vaccinated prior to their work placement commencing.

**South Regional TAFE is transitioning this qualification to the new training package in 2022. Students will be enrolled into the new units developed to meet current and future industry needs.

Pre-Apprenticeships in Schools

Course Offerings

Pre-Apprenticeships in Schools

Overview

What is the Pre-apprenticeship in schools program?

The Pre-Apprenticeships in schools (PAIS) program is a fantastic opportunity for students who are enrolled in the Western Australian Certificate of Education (WACE), to be one step ahead of other young people who want to undertake an apprenticeship. It is a school-based training program and is intended as a transition from school to an apprenticeship. It provides an introduction into the apprenticeship opportunities within various trades. Training commences with a mixture of College based training and actual work experience within the industry of choice. During this stage students must continue attending school, undertake units of competency within the program whilst attending SR TAFE and be linked to an employer for work placement throughout the duration of the program, giving students exposure to the industry.

Why apply for the pre-apprenticeship in schools program?

- ▶ Students can undertake training within a desired industry while still completing their Western Australian Certificate of Education (WACE). The program provides subject equivalence towards a student's WACE;
- ▶ Enables students to make career decisions and provides pathways to an apprenticeship;
- ▶ Students receive credits for successful completion of units of competency undertaken; and
- ▶ A reduction in term may be considered if the student is successful in obtaining an apprenticeship.

Work Placement

Some programs include work placements, to support the learning program. Each course in the booklet includes the work placement requirements. A requirement of the program is completing a logbook of each day's attendance and summary of work tasks. You are required to submit your logbook at regular intervals throughout your course for validation. Students will be provided with more information about any Work placement at the commencement of the course. Students are responsible for organising their own transport to and from the workplace.

Please note: Some of the pre-apprenticeship courses can require additional workplace hours that will need to be completed in the student's own time.

Pre- App Commercial Cookery [Kitchen Operations Pre-Apprenticeship]

National ID: SIT20416 State ID: AB10

This qualification will give you the practical skills to work in kitchens with a defined range of food preparation and cookery skills, under direct supervision from industry professionals. Skills include team work, safe work practices, hygienic practices, correct food preparation and maintaining the quality of perishable items.

As part of this qualification students will undertake a supervised work placement where they will be able to apply the skills and knowledge they have learned. A minimum of 163 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed log book as evidence of work undertaken.

Successful completion of this qualification provides you with the opportunity to work in kitchen operations in organisations including restaurants, hotels, cafés, care facilities and schools. Employment options can include kitchen/cooks assistant, short order, fast food or canteen cook, or gain an apprenticeship/traineeship to become a qualified chef.

Student to supply

Specific course requirements will be provided at enrolment.

- ▶ Chef uniform
- ▶ Steel capped boots
- ▶ Chef's knife/ tool set
- ▶ Pens, pencils and A4 file

Pre- App Building & Construction (Pathway – Trades) [Bricklaying & Blocklaying]

National ID: 52893WA State ID: BGS25

If being outdoors and making great things sounds good to you, a pre-apprenticeship in bricklaying and blocklaying will help you gain the foundation skills and set you on the path to becoming a bricklayer.

Many employers prefer apprenticeship applicants to have completed a pre-apprenticeship. This course will give you the skills, knowledge and behaviours to prepare you for a future apprenticeship position, and a flying start in learning the trade.

You will learn to mix, place and finish concrete; set up concrete mixture to produce mortar mixes; basic levelling procedures; interpret plans; work with scaffolding; and workplace health and safety.

This qualification includes a supervised work placement where students will be able to apply the skills and knowledge they have learned. A minimum of 150 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed logbook.

Competitive entry

This is a competitive course and will require an interview.

- ▶ Available places: 14
- ▶ Available to: Year 11 only

Delivery period

| Day | Location | Duration |
|---------------------|----------|----------|
| Thursday and Friday | Bunbury | 3 Terms |

Work placement

| Minimum hours | Commencement | Days allocated for work placement |
|---------------|--------------|-----------------------------------|
| 150 | Terms 2-3 | Thursdays or Fridays from Term 2 |

Commitment

- ▶ Up to two hours of homework per week
- ▶ A minimum of 150 hours of work placement (travel may be required)

Student to supply

Specific course requirements will be provided at enrolment.

- ▶ Personal protective equipment - Safety glasses, steel capped boots, long work wear trousers and collared work wear shirt
- ▶ Pens, pencils and A4 file

Pre- App Building & Construction (Pathway – Trades) [Painting & Decorating]

National ID: 52893WA State ID: BGS25

Painting and decorating is known as a finishing trade, encompassing both residential and commercial areas. It can include new constructions as well as restoring historically significant buildings.

Many employers prefer apprenticeship applicants to have completed a pre-apprenticeship. This course will give you the skills, knowledge and behaviours to prepare you for a future apprenticeship position, and a flying start in learning the trade.

You will learn painting techniques; how to interpret plans; prepare surfaces correctly; measure and calculate the right amount of materials for the job; work with scaffolding safely at heights; and workplace health and safety.

This qualification includes a supervised work placement where students will be able to apply the skills and knowledge they have learned. A minimum of 150 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed logbook.

Competitive entry

This is a competitive course and will require an interview.

A woman with blonde hair tied back, wearing a white shirt with colorful polka dots and green pants, sits on a light-colored tiled floor. She is looking towards two children. A young girl with dark hair, wearing a yellow shirt and dark pants, sits next to her, holding a pink stuffed animal. A young boy with brown hair, wearing a red shirt and dark pants, sits to the right of the girl, with his hands clasped. They are in a bright, modern classroom with large windows, indoor plants, and colorful toys in the background.

VET in Schools

Course Offerings

Certificate II in Conservation and Ecosystem Management

National ID: AHC21020 State ID: BGH1

Have you got a passion for conservation and the environment? Get started on your career in conservation and land management with this entry level course. During this qualification you will learn the practical skills and knowledge to assist with a range of tasks to maintain and restore natural, cultural places and farmland.

You will study a range of subjects which include working with plants and animals, construction and maintenance, using machinery and equipment, and managing resources. You will be able to focus your studies in different areas which include conservation earthworks, Indigenous land management, lands, parks and wildlife, natural area restoration and management, weed management and vertebrate pest management.

Certificate III in Fitness

National ID: SIS30315 State ID: AWN5

This qualification reflects the role of instructors who perform a range of activities and functions within the fitness industry.

They work independently with some level of autonomy in a controlled environment such as fitness, leisure, aquatic and community centres where risks are managed through pre-existing risk assessment and hazard control processes.

Individuals specialise in Group Exercise Instruction deliver exercise sessions designed for participation by a group of clients with a mix of ages/fitness levels. Sessions may be freestyle, pre-choreographed or circuit style. These individuals instruct and demonstrate complete exercise sessions to groups with limited individual interaction.

Individuals who specialise in Gym Instruction provide individually tailored client assessments, provide technique correction as needed, and develop and demonstrate programs. They also provide supervision of a facility or service, keep equipment clean, tidy and well maintained, and handle various customer inquiries.
