

## 2022 ANNUAL SCHOOL PERFORMANCE INFORMATION

The Australian government requires that the following information be reported to the school community. This report is an annual report that will be made available to all members of our school community. The report is based on the previous year's August Census and academic data.

### 1. School Profile

Our Lady of Mercy College is a nurturing co-educational secondary College for students from Year 7 to Year 12.

Situated in a peaceful environment, our beautiful College has been designed with students in mind. It has engaging learning areas and an abundance of open space and sporting facilities.

The Catholic faith, in the Mercy tradition, is at the heart of the College.

Our guiding philosophy is centred in "Embracing Life, Nurturing Faith and Inspiring Learning." We encourage our students to embrace all aspects of life, to nurture their spirituality and to let their natural curiosity inspire deep learning.

Our focus upon global competencies, ensures our students are engaged in relevant real-world issues. They are learning for today, and learning for the future.

Parents are requested to provide a note for non-attendance. As a result of our adoption of SEQTA, a software application that includes the attendance and other pastoral details for each student, all parents are able to see full details of our attendance records on a daily basis. Parents are contacted if an individual student has a significant number of absences, particularly if the absences are unexplained. Students who are regularly absent for medical reasons, are assisted in accessing work to complete at home. Counselling of students and parents is provided should a student present as a 'school refuser' or have many unexplained absences. Contact is made with the Participation Officer for persistent problems.

## 6. Parent, student and teacher satisfaction LASTEST SURVEY INFO

The majority of our parents, students and teachers are very satisfied with the College – which is confirmed through:

- The increased number of enrolment enquiries.
- Positive feedback from the parents with regards to both pastoral care and academic results.
- Feedback completed as part of the Climate Survey as results were received and shared with staff.
- All parents, students and teachers are continually encouraged to raise issues or concerns with the appropriate personnel with the school. Parents are reminded of this regularly at Parent Information Evenings and through College communications.
- During School Advisory Council and Parents & Friends meetings opportunity is provided for parents to table issues to be addressed by the Principal.

## 7. Post-School

From the 33 students who applied for public university, 87.9 were offered a place in the main round.

## 8. School Income SG – Completed\*\*\* – 27/06/23

The school income data is available on the My School website, [www.myschool.edu.au](http://www.myschool.edu.au)

\*\*\*Spoke with Anderson, OLMC Recurrent Accountant from CEWA, regarding this information and he advised that we are to disregard this. Acara will get the financial information from SchoolsHUB directly since it is centralised through CEWA. No school needs to report the financial information as CEWA are directly dealing with this via SchoolsHUB.
